

Cambridge Science Summer School 2013

We invite gifted, overseas life science undergraduates to apply for our, 8-week intensive, research-based 2013 Cambridge Science Summer School (CSSS), a unique laboratory bench-based programme whose goal is to train you to be an experimental scientist and a great leader.

Dr. Joyce Wong, University of Cambridge, CSSS2013 Q&A session
at Room 109, FAO Building
4 – 5 pm, 1st November, Fudan University
